Book Details:

Review: I bought my first book of Lon of New York photographs two years ago, a title called Lon of New York: American Photography of the Male Nude, 1940-1970, giving it a generally negative review here on Amazon. I noted at the time, however, that Lon had a reputation as a very prolific photographer over many years and hoped that there were better examples...

Description: Long before Bruce Weber or Herb Ritts picked up a camera, there was a photographer whose images glorified the male nude. But Alonzo Hanagan, better known as Lon of New York, was working during the 1940s and 1950s, when images of the male nude were not just illicit but illegal. Twice, his studio was raided and his negatives destroyed by police. Many...
